

About Import & Export

- With India's role in the global economy growing on the back of increasing world trade, the need for smooth and efficient trade services has never been more acute.
- For more than 10 years we have been standing for proficiency, excellence and service. We are experts for the procurement and growth of brand/non brand, as well as promotional goods and assorted items for any product line-up.
- From our central location at Pune our team engrosses itself for your benefits in a driven, dedicated and pioneering manner. Together with our associates on the procurement & supply chain sides we have built up a strong network based on trust and constancy who understands the demands of the global market.
- Companies need an efficient, reliable and cost-effective logistics solution to help them stay competitive and they are finding that the only way to achieve this is with a professional partner who is dedicated to their success.

Thank You
