The Creative Chef

Content Writing

We are a content creation hub which believes in the power of innovation, creativity and knowledge. From creative to technical writing, legal papers till medical writing, we help our clients to create a right copy of the content.

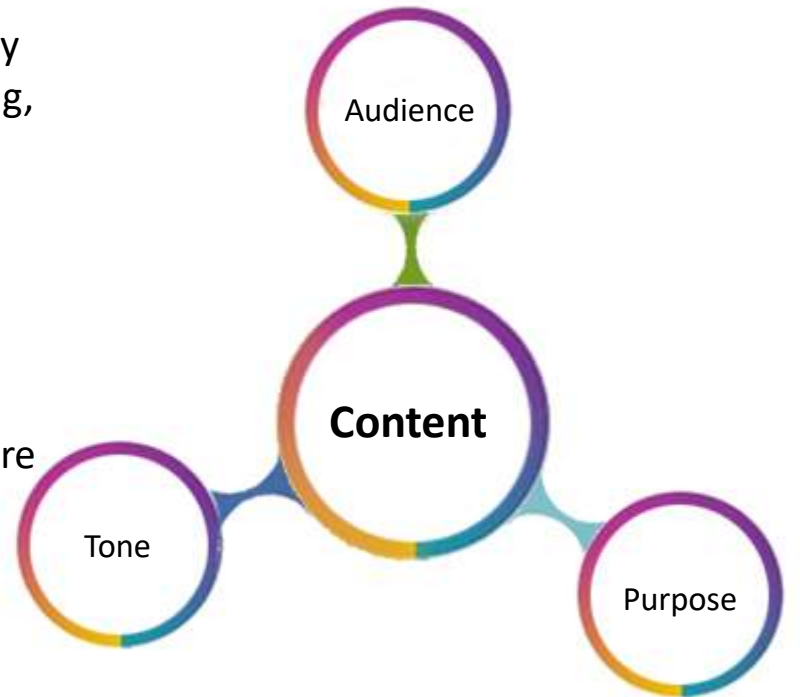

By right we mean informative, compelling engaging and educative content.

We are on a *mission* to create compelling content for brands want to connect with people and develop a brand name to win more customers.

Whether you want product branding or product description, an impressive brochure design or a user manual, looking to design a course material or a training video,

We Write it Right!

....a one stop shop for all your content needs.

About Garments

- The Garment Industry is a major contributor to the economies of many countries. The industry for Ready Made Garments has been criticized by labor advocates for the use of sweatshops, piece work and child labor.
- Pride Garments caters to Corporate as well as Schools in terms of Bulk orders. They are custom tailored according to measurements, but rather generalized according to client's requirement. They are made from many different fabrics and yarns. Their characteristics depend on the fibers used in their manufacture.
- Ready-made Garments and Stitched Garments are divided into the following types:
 - Work wear / Corporate Wear
 - School Uniform
 - Sportswear (Jersey, Track Suits, Sweatshirts)
 - Collard T-shirts
 - Chef Coats
